Change in Board Position

The HOA extends their gratitude to Ed Lynch for serving as Secretary on the Board through April. Ed has changed employment and due to his travel commitment has resigned his position. We wish him and his family well with his new endeavor.

We extend a welcome of Don Bisges to the Board as the Secretary. Don can be reached at 770-590-1872 or dbisges@bellsouth.net

Thank You!!

For as many years that any of us can remember Mike and MJ Flouer have quietly worked behind the scenes to manage and maintain the property. This included soliciting proposals and managing contractors for the landscaping, pool, painting, pond management. In addition they completed carpentry, painting, plumbing, and cleaning projects to maintain the BHL buildings and grounds.

Mike has decided it is time to retire from such a busy BHL work schedule that has been a second job to his professional career as a pilot with Delta. He and MJ will continue as our co-chairs of the pool committee.

Denise Hindes, of All-In-One Community Management is now our property manager and will coordinate all vendor relationships. She has already met

with us and appreciates Mike's assistance to have a smooth transition. Any question or concerns with any building and grounds issues should now be directed to AIO.

Pool Committee

Hopefully everyone is enjoying the pool so far this season. Please don't forget to bring those tags to the pool. If you STILL don't have yours, call MJ at 770-427-8336. We have had a few questions about family members living outside the neighborhood getting tags. There are so many different family situations we have had to handle each on a case by case basis using a few general guidelines. Remember 6 guests are always allowed with the homeowner present.

The social committee has donated a pool table to the pavilion. It's a great addition so please take care of it. Last but not least, please help the guards out with bad behavior. We want to enjoy our pool and not get anyone hurt. Feel free to contact any committee member with your concerns or questions. Happy Swimming!

Friday Night Family Fun Night at the Pool

The Social committee would like to make Friday night family fun night at the pool. This will be a very informal gathering. Please bring snacks, beverages, cards games. So if you are around on Friday nights through the summer, come on down to the pool and hang out with your neighbors!!!

A Big Thank You goes out to everyone who helped with the Last Day of School Party and the Memorial Day Picnic. These were two fun events and we appreciate all the baked goods and donations for these parties. Thanks to my Partner in Crime, Janet Lynch, I could not have done this without you!
